MAKE MONSTER HORNS, JUST LIKE THERE'S A MONSTER IN YOUR BOOK

Colour in the headband below and dress up just like the little monster from 'There's a Monster in Your Book' by Tom Fletcher.

Use the side of your cereal box to make your headband go all the way round your head by joining it to the ends of your headband and trimming it down. Ask an adult for help with this.

The little monster also wears a black and white t-shirt. Why not wear one too and look just like him?
